EXPERIENCE

VMukti Solutions Pvt. Ltd.   Ahmedabad, India (Onsite) | May 2023 – July 2023
- Worked on research and planning initiatives for a state-of-the-art CCTV manufacturing facility.
- Conducted extensive studies on robotic technologies and their applications in manufacturing processes.

PROJECTS

MATCHMAKER OR WHAT   React, Express, MongoDB, Node.js, Socket.io
Match Maker is a web-based platform designed to simplify and enhance the hackathon experience by facilitating efficient team formation. Our platform utilizes advanced matchmaking algorithms to connect participants with compatible teammates based on their skills, interests, and project preferences.

LOCALLY YOURS   React, Express, Supabase, Clerk, Typescript
A news aggregator that allows users to view news from their local area. Users can also create an account and set when to receive their news on their feed depending on their time.

BOOKOHUB   Next.js, Clerk, MongoDB, Material UI
An online platform uniting book enthusiasts to lend and borrow books, fostering collaboration. Users track their reading history, share titles, and explore a diverse collection, promoting a culture of sharing among avid readers.
